GOVERNOR DANIEL P. MALLOY

GOV. MALLOY STATEMENT ON ECONOMIC GROWTH

(HARTFORD, CT) – Governor Dannel P. Malloy released the following statement regarding [a report released today](#) from the U.S. Department of Commerce, which found that Connecticut’s economy grew 3.9 percent during the third quarter of 2017, among the fastest of all U.S. states:

“Connecticut is home to some of the brightest minds, most innovative businesses, and top-ranked universities in the country. Today’s news from the U.S. Department of Commerce is a testament to the strength and productivity of our labor force, and the ceaseless tenacity of our business community. We certainly welcome being ranked one of the fastest growing economies in the nation, but do so with a recognition that we must work even harder to fight for every job and continue to grow our economy in the long-term.”
